2. 976-302 Electronic Payment and Security for Electronic Business 3(2-2-5)
3. 976-331 Web Design and Management 3(2-2-5)
4. 140-390 Workshop in Information Technology III (Full Stack Web Development with JavaScript Frameworks) 1(0-3-0)
5. 140-390 Workshop in Information Technology III (Internet of Things)1(0-3-0)
6. 140-390 Workshop in Information Technology III (Developing Web Application with .NET Technology ASP.Net) 1(0-3-0)
7. 140-434 Cloud Computing and Application Development 3(2-2-5)
8. 977-495 Special Topics Software Engineering (IOS Application Development) 3(2-2-5)
9. 977-373 Component-Based Software Development 3(2-2-5)
10. 140-495 Special Topics in Information Technology I (Principles of Creativity and Design) 3(2-2-5)
11. 140-332 Computer Networking and Management 3(2-2-5)
12. 140-452 Data Mining 3(2-2-5)
13. 140-461 Introduction to Game Design and Development 3(2-2-5)
14. 140-355 Information Retrieval 3(2-2-5)
15. 976-300 Supply Chain and Logistic 3(2-2-5)
16. 977-290 Workshop II (Web User Interfaces Development Technology) 1(0-3-0)
17. 140-390 Workshop III (Node JS) 1(0-3-0)
18. 140-390 Workshop III (Computer and Wireless Network Security) 1(0-3-0)
19. 140-464 Digital Video and Special Effect 3(2-2-5)
20. 140-351 Database Systems Management 3(2-2-5)
21. 140-440 Mobile Device Application Development 3(2-2-5)
22. 140-260 Multimedia Technology 3(2-2-5)
23. 976 - 301 Electronic Marketing and Customer Relationship Management 3.2-2-5)
24. 976-302 Electronic Payment and Security for Electronic Business 3(2-2-5)
25. 976-353 Knowledge Management 3(2-2-5)
26. 976-303 Information Technology for Tourism Business 3(2-2-5)
27. 140-290 Workshop in Information Technology II (Computer Graphic Tools) 1(0-3-0)
28. 140-390 Workshop in Information Technology III (Developing Web Application with Java Technology) 1(0-3-0)
29. 988-430 Web Development for Geoinformatics 3(2-2-5)
30. 140-495 Special Topics in Information Technology I (Introduction to Natural Language Processing)
31. 140-390 Workshop in Information Technology III((PHP Framework)
32. 976-495 Special Topics in Electronic Business I (Business Intelligence) 3(2-2-5)
